**QUANTITY:**

Best suited and most cost-effective for short runs, small quantities. You can order exact quantities.

**QUALITY:**

Digital printing can achieve the same vibrant colours and high contrast as in high class offset printing. it is possible to have multiple print modes on different papers.

**TURNAROUND TIME**

Instant delivery. No drying time. So each piece is ready to go as soon as it comes off the press.

**PERSONALIZATION:**

Digital presses can create completely variable, customized pieces in-line.

**OUR VALUE ADDITIONS:**

- Friendly customer service
- Designer and artwork services
- Door delivery for bulk orders
- Highly adroit professionals
- Stringent quality norms
- Printing on non-tearable papers, Clear stickers, Stickers
- Custom made calenders and corporate gifts
- End to end publishing services

**TECHNICAL SPECIFICATIONS:**

- 13"x19" Print Size
- Matt and High gloss Velvet, Hologramic lamination
- 24"x any length CAD printing and Canvass Printing for Framing and Interior Decorations.
